ABOUT NINH BINH

Vietnam's Premier Limestone Karst Golf & Heritage Destination

Ninh Binh and its breathtaking Trang An Landscape Complex are rapidly establishing themselves as Northern Vietnam's most captivating golf and cultural destinations, attracting visitors with their unique blend of world-class golfing among majestic limestone karsts, serene river valleys, and profound historical heritage.

The region is home to emerging the world-class **Royal Golf Course (Yen Thang)**, which offers unparalleled playing experiences set against stunning limestone landscapes, poetic pine forests, and serene natural lakes. The unique topography and fresh breeze from the lakes provide ideal golfing conditions, making it a perfect retreat for sports enthusiasts.

Beyond the greens, Ninh Binh offers a rich tapestry of cultural heritage, being the ancient capital of Vietnam. Visitors can explore the charming waterways of Trang An Landscape Complex (a UNESCO World Heritage Site), take a scenic boat row through Tam Coc - Bich Dong, or embark on a cultural journey to Bai Dinh Pagoda, one of the largest Buddhist complexes in Southeast Asia. This unique combination of championship golf and authentic cultural immersion makes Ninh Binh an unforgettable destination for discerning travelers.
